| Katılımcının Bildiri Başlığı: | "Chyngyz Aitmatov: Philosophy of Memory" (written and being published in English) |
| Katılımcının Bildiri Özeti: | <p>The article is on Aitmatov's philosophy of memory. This philosophy is reflected in his thoughts given in an artistic word on the essence of the Soviet system, based on atheism, oriented at cultivation of a unified mentality, a unified man, whose memory is limited with a knowledge of a principle to obey only the power of the state. The author tries to demonstrate Aitmatov's revelation of the global catastrophicality of the communist ideology, totalitarian regime, in a mass way producing a particular type of a man – mankurt, a man not being able to memorize the past, thus to love, a man thus being impassionate, deprived of conscience.</p> <p>Key words: revelation, traditional heritage, artistic message, memory, human spirit, state power, Soviet mentality, censorship, intellectual uprising, existential question, intellectual courage, intellectual conscience, crucifying, global catastrophe.</p> |
| Katılımcının Kişisel ve Kurumsal Temaslar: | <ol style="list-style-type: none">1. Member of the Academic Board of the Council for Research in Values and Philosophy, Washington, the USA (since 2000).2. Founding Member of the International Society for Islamic Philosophy (2008).3.
