

**RECAP FOR X. INTERNATIONAL TRADITIONAL
SPORTS AND GAMES SYMPOSIUM,
KAHRAMANMARAS, TURKEY, NOV 5-7, 2021**

Recap of 10th International Traditional Sport and Games (TSG) Symposium, Kahramanmanas, Turkey

Nov 5-7, 2021

Organized by
Traditional Sports and Games Research Institute

Hosted by
Manas University & Bowie State University

Sponsored by
World Ethnosport Confederation & Kahramanmaras Metropole Municipality

PURPOSE OF THE SYMPOSIUM

The aim of the symposium is to conduct scientific examinations and discuss the issues related to the of traditional sports games in a comprehensive manner and develop sustainable applications for survival of their existence in line with the conditions of our times.

The symposium will be a means of gathering researchers on the subject, producing knowledge, evaluating existing information with new perspectives, and the presented papers will be printed to contribute to the benefit of the scientific world.

REVIEW

Traditional Sports and Games Research and Development Institute successfully hosted its 10th International Traditional Sport and Games (TSG) symposium in the city of Kahramanmaraş, Turkey, on Nov 5-7, 2021. Over 100 scholars and professionals from 22 different countries attended the symposium to present their research, which was available to attend both face to face and virtual;

While majority of the attendees participated virtually in 8 different rooms in 4 different languages, some scholars attended face to face in three rooms.

The symposium was a joint international effort with Manas University In Kyrgyzstan, Bowie State University in the USA, and World Ethnosport Confederation, Kahramanmaraş Municipality in Turkey

President of Manas University emphasized the importance of the symposium with global collaboration and knowledge sharing and applications with technological help during corona pandemic.

President of Bowie State University, USA, one of the main partners of the symposium highlighted in her video messaging that positive impact of international collaboration on the subject and provided full support of their university.

THE OPENING

The symposium started with official opening at the Metropole Cultural and Conference Center with the city's national band' welcoming march

All of the rooms were set for participants to have a productive presentation and discussion on their research once they arrive to the conference center
